NOTES

TO THE CITIZENS OF ENFIELD:

I would like to thank the people of Enfield for the support given the Selectmen and myself for the various projects and goals undertaken in 1978.

I want to wish retired Police Chief Francis La Bounty a happy retirement after 30 years service to the Town. A testimonial for Mr. La Bounty was held February 24, 1978 with a very large turn out to wish he and his wife Irene happy days.

I also want to welcome our new Chief Peter Giese and his wife Connie to Enfield and hope they enjoy the area and the people as much as I have these last 2½ years.

The Police Station was moved to Whitney Hall from the Union Street Fire Station during the Summer of 1978.

We had anticipated the sewerage facilities plan to be completed in 1978, but Selectmen and citizen concern has suggested a harder look at the proposal be undertaken.

A major road oiling program was undertaken by the Highway Department in 1978 under hired Highway Foreman Gerald "Joe" Lashua. Further reconstruction was done on the lower end of Maple Street with the upper end being paved. 1979 plans are to pave or mix this remaining portion and reconstruct and pave May Street. May Street was planned to begin in 1978, but time did not allow us to undertake the project.

Because of abuse at the rubbish collection site, it is now open posted hours with an attendant. A stump and brush dump on the Bog Road will be open posted Saturday hours during the warmer months.

Please take notice of the following Town Office hours:

SELECTMEN:	Monday through Friday,	9 - 3
	By appointment	3 - 5
TOWN CLERK:	Monday through Friday	9 - 1
	Monday Evening	7 - 9
TAX COLLECTOR:	Mon., Weds., Thurs.	6 - 9
	Saturday morning	9 - 12
LIBRARY	Monday, Tuesday, Thursday	1 - 8
	Wednesday	1 - 6

Thank you for a rewarding year in Enfield.

Sincerely,

Peter G. Russell
Administrative Assistant
to the Board of Selectmen

REPORT OF POLICE DEPARTMENT

The Enfield Police Department continues to provide protection to the community with the respect to the rights of all citizens. During the proceeding year the Department relocated to new facilities in Whitney Hall. These new quarters provide the needed space and a more viable location. In July a new cruiser was put into service. The replaced unit was retained for backup service and increased patrol coverage.

A Manual of Operations was written by the Department and approved by the Selectmen. This manual contains the Department rules and regulations as well as operating procedures covering numerous situations.

Under the auspices of Sergeants Richard Hill and Richard Pollard, a conscientious training program has been developed. Drawing on the resources of State, County, and Local Law Enforcement Agencies in the Upper Valley and Grafton County, over 40 hours of instruction have been presented to members of the Department. This instruction is geared to prepare the part-time officers to perform the numerous tasks in a small police unit.

Overall, crime decreased in Enfield with the most noticeable reduction in burglary. The 1978 reported burglaries were 11 compared to 28 reported during 1977. Of the reportable crimes to State and National agencies, only auto theft increased. This compares to 4 reported in 1977 and 8 in 1978, with all stolen vehicles in 1978 recovered.

Under the direction of the Department Range Officer, Phillip Packard, and with the assistance of the Carl Patten Construction Company, Inc., a Police Target Range was constructed. The range allows firing up to 50 yards and was constructed at no cost to the Town. A realistic training program has been developed by Officer Packard which stresses safety and weapons proficiency.

All members of the Department express their appreciation for the opportunity to serve the Town of Enfield. Should any citizen have questions on Department operations or community concerns, feel welcome to stop by the Station.

Respectfully submitted,

Peter Giese
Police Chief

REPORT OF LOCAL AND DISTRICT FOREST FIRE CHIEFS

For more than 80 years, a cooperative effort between the State of New Hampshire and local forest fire authorities has created a forest fire prevention and suppression program that is recognized as superior throughout the United States.

Since the first forest fire laws were written in 1895, the state and local community governments have worked together to prevent and combat forest fires.

Today, 249 forest fire wardens and more than 1,800 deputy wardens are appointed every three years by the State Forester to work with the members of the State Forest Fire staff in this effort. State funds are used to pay one-half the cost of forest fire suppression costs incurred by local forest fire organizations, within pay rates established by the Governor and Council. State funds matched by local funds are used to purchase hand tools to suppress forest fires, to train local forest fire crews and in forest fire prevention work.

All outside burning, when the ground is not covered with snow, is permitted only after obtaining a written fire permit from your local Forest Fire Warden. Penalty for burning without a permit when one is required is a misdemeanor punishable by a fine up to \$1,000 or a jail term of up to one year or both.

ENFIELD F.A.S.T. SQUAD

The Enfield F.A.S.T. Squad is celebrating its second year of service to the town.

The officers elected for 1978 were: President, John L. Dunn, Jr.; Vice President, Ann Dionne (resigned); and Secretary-Treasurer, Janet Shepard.

The Enfield Ambulance Service is operated by volunteers, all EMT's, providing the town with 24-hour coverage.

The F.A.S.T. Squad is now being dispatched through the Lebanon Dispatch Center. The telephone number for ambulance service is 448-1212. This is the same number used for all emergency services.

In 1978 a total of 103 calls were handled. The service also responds to all structural fires along with the fire department.

The Squad sponsored a number of fund raising events during the year and was able to improve the communications network.

The A-6 Ambulance District received federal funds which were used to purchase equipment for local squads and rescue units. Enfield received from A-6, 3 jump kits, 3 pagers, and 3 portable oxygen kits. The jump kits and oxygen units were distributed to Squad members in outlying areas to improve emergency care.

The Squad maintains skills by having in-service training at its regular meeting, MHMH lectures attended monthly, and twice yearly seminars. The meetings are held every three weeks and are open to the public. Anyone interested in becoming a member is welcome to contact any Squad member and/or attend a meeting.

We would like to say thank you to all the people who were of assistance to us throughout 1978.

Respectfully submitted,

*Janet M. Shepard
Secretary/Treasurer*

ENFIELD PLANNING BOARD

In 1978 the Planning Board held 22 regular meetings and 12 public hearings.

1978 marked the completion of the Enfield Soil Survey project, carried out by the U.S. Department of Agriculture Soil Conservation Service. This has been a four year project and is of major importance to guiding growth and development in Enfield. At the present time Enfield is one of a relatively small number of towns in New Hampshire to have a complete up-to-date soil survey of the whole town. As a follow-on project the Planning Board has arranged to have, at no cost to the town, a cataloging and classification of prime farm land in Enfield. This also will be done by U.S.D.A.

The Public Opinion Survey relative to land use planning was completed in November and the results reported to the town in December. The results are being used to assist the Planning Board in preparation of land use regulations as an amendment to the present Town Zoning Ordinance to be submitted for Town vote in March, 1979.

ENFIELD PUBLIC LIBRARY

Circulation for 1978 was 18,378, an increase of 3,156 over 1977. The library's collection was increased again this year with new volumes added in both the fiction and non-fiction areas. Additional volumes were borrowed from the State Bookmobile, which came four times during the year.

The library schedule was expanded in January by two hours per week to provide extra service to patrons. The present hours are 1 - 8 PM on Monday, Tuesday and Thursday; 1 - 6 PM on Wednesday. In April Mrs. Beryl St. Laurent resigned as Library Assistant and Catherine Russi joined the staff. As Librarian, I attended several professional meetings and workshops throughout 1978. In July the library staff hosted the Southwest District Advisory Council meeting.

Additional lighting was installed to facilitate expansion of the adult non-fiction collection and provide a quiet area for patron study or research work. Several new pieces of equipment were purchased, including a mobile book cart and projector table. The children's section was brightened with the addition of new furniture and colorful wall hangings.

The special program for grade school bus students moved successfully into its third year. This program allows these students to use the library during designated school hours. Students in grades 1 and 2 accompanied by their teacher visit the library weekly. A story hour is provided for the two kindergarten sessions.

Appreciative acknowledgement is extended to all those who donated time, books and materials to the library during 1978. Thanks is extended to the Friends of the Library for their many hours of weekly volunteer service.

The library administration extends a warm welcome to all those who visit the library and utilize its facilities.

MASCOMA AREA HEALTH COUNCIL - 1978

In its tenth year of service to the five Mascoma towns, the Health Council continues to furnish skilled nursing care, physical therapy, and home health aide services to homebound citizens. During the year, an adult health screening clinic was held in co-operation with the local Lions Clubs and monthly blood pressure screenings were held in each town on a rotating basis.

In response to a growing need for children's services in this area, a part-time pediatric nurse-practitioner is hard at work. The Council continues to sponsor a well child clinic and dental clinic, newborn visits, and pre-school hearing and vision screening. Approximately half the funds necessary for these endeavors is provided by the State Department of Maternal and Child Health.

Although there is a charge, on a sliding scale, for some of the above, care is provided to all regardless of ability to pay, and most visits are covered by medicare or health insurance.

Despite the pressures of inflation and a growing population, the Health Council's per capita request to the towns has remained steady.

Inquiries about available services may be directed to the Mascoma Area Health Council office in Whitney Hall, P.O. Box 378, Enfield, telephone 632-7234.

Respectfully submitted,

*Carol Stomberg
Chairman of the Board*

REPORT OF THE RECREATION COMMITTEE

1978 was a year of growth for recreation in Enfield. Though no new facilities were added, growth was evident in the numbers who took part in available recreational programs.

The summer program this year was ably directed by Chuck Stone. His staff included Sandy Domina as assistant and David Carr, swimming instructor. Assisting Dave were Barbara Bailey and Carol LeCain. Lifeguard this year was Glen Gurnham assisted by Peggy Acerno and Nyla Toms. All summer program staff members deserve a big pat on the back for a job well done.

There were two "firsts" this year for recreation, including the afternoon program for children and teens, 7th grade and up; and the adult swimming lessons in the evening. Many thanks to Chuck and Dave for this improvement to our summer program.

The winter program suffered somewhat for lack of funds; however, several children benefited from discount passes offered for Whaleback and Storrs Hill Ski areas. Also, the skating rink saw some more use this year than in the past and we hope that flooding and snow removal problems can be smoothed out next year.

The interest in community recreation was again apparent this year. Many people participated and many helped out where help was needed. Many thanks to all who gave of their finances and their time, especially our departin members, George Gardner and Mary Bailey.
